Professional Liability Insurance

Professional Liability insurance (PLI) protects you against liability or allegations of liability for injury or damages that have resulted from a negligent act, error, omission, or malpractice that has arisen out of your professional capacity as a physiotherapist assistant/occupational therapist assistant.

PLI protects you by ensuring that your legal defence is coordinated and paid for if a claim is made against you. Your PLI also covers the cost of patient compensation, or damages. Coverage is written on a claims-made basis and will respond to claims first known and reported during the policy period.

Commercial General Liability Insurance

Provides coverage to protect against claims arising from injury or property damage that you may cause to another person as a result of your operations and/or premises and unrelated to the delivery of your professional services.

This insurance is recommended for physiotherapist assistants who contract out their services or bill under their business name. Coverage is written on an occurrence-basis.

Members can also purchase CGL insurance for their Clinics/Businesses.

Optional Individual Coverage

Cyber Security & Privacy Liability Coverage
